CARSON CITY BOXING CLUB ANNOUNCED AS DONATION RECIPIENT

Campagni Cares donation program contributes \$1,500 to local nonprofit gym

Carson City Toyota is proud to announce the selection of Campagni Cares' February recipient: Carson City Boxing Club!

The Carson City Boxing Club's mission, value to the community, and tremendous support system resonated through countless nominations they received, making them a natural choice for the program's second month. Furthermore, a reoccurring theme in the nominations was the passion of the owners to help local youth stay active, healthy, and safe.

The Club, run by Frank and Mike Peralta, has been operating since 1997. Their goal has been to help support local youth by training them in the art of boxing, in order to ensure they don't turn to other less positive means of coping.

One nomination by community member Maria Webber said, "Michael Peralta and his father Frank work so hard for the kids in the community. The boxing club does so much more for the youth besides boxing; it gives the kids a safe, healthy environment to learn discipline and keeps them off the streets."

If you'd like to donate to Carson City Boxing Club or to learn more about their programs and offerings, please visit www.carsoncityboxingclub.com.

Don't forget, each and every month throughout 2021, the group at Carson City Toyota will select a nominated charity to donate money to and feature in a community spotlight.
